Law 5 – The Referee

Referees will be assigned by FFC based upon age group:

- **U8:** Center referee only (or coaches will officiate the game play).
- **U9 - U10:** Center referee only.
Parent ‘club linesmen’ can be used at the discretion of the center referee.
- **U11 - U12:** Center referee with 2 assistant Referees will be utilized.
- **U13 - HS:** Center referee with 2 Assistant Referees will be utilized.

If no assistant referees provided, parent ‘club linesmen’ can be used at the discretion of the center referee.

Additional referee rules:

- A. Should a referee not be available, team coaches must designate a substitute referee, who will be deemed the official referee for the match.
- B. Coaches, players and spectators **are always expected to accept all referee decisions and exhibit respect and good sportsmanship.**

Law 6 – The Other Match Officials

Assistant Referees may be assigned based upon age group.

All rules identified under **Law 5 – The Referee** will also apply to this section.

Additional rules for other match officials:

- A. Should an assistant referee not be available, team coaches must designate a substitute assistant referee, who will be deemed an official referee for the match. Substitute assistant referees must not coach either team during the match.

Additional match rules:

- A. **Timekeeping.**
 - a. No additional time will be added for regular season play.
 - b. Game duration/timekeeping for post-season games/scrimmages will be based upon rules defined for such events.
- B. **Heat:** In the event of extreme heat/weather conditions, a short water break may be administered by the referee approximately mid-way through each half of the game based upon a natural stoppage in play. The clock will continue to run during such water breaks.
- C. **Inclement Weather.** Should there be thunder or lightning, games will be suspended as follows:
 - a. **ALL players should leave the field immediately and return to the safety of vehicles.**
 - b. From the last instance of lightning/thunder, a 30-minute timer will be started. Once 30 minutes have passed with no lightning/thunder activity, the game may resume.
 - c. FFC field staff will determine whether games will be abandoned due to inclement weather. Any abandoned games may be rescheduled at the discretion of FFC.

Law 8 – The Start and Restart of Play

IFAB rules will be followed with the following modifications:

- A. Goal Kicks.
 - **U6 - U9:** Punting/long kicks are not permitted for goal kicks.
 - **U10 - U12:** Punting/long kicks should be discouraged.
See Law 16 – The Goal Kick for more details.
- B. Games will start as scheduled. However, due to inclement weather or other conditions beyond our control, games may be delayed.

Law 9 – Ball in and Out of Play

IFAB rules will be followed.

For substitution rules, see *Law 3 – The Players*.

Law 10 – Determining the Outcome of a Match

- Scores will not be recorded in regular season play for FFC Recreation Soccer.
- **Scores will not be run up.** In the essence of good sportsmanship, coaches will work with one another to ensure that the educational environment for FFC Recreation Soccer is maintained in all games. Thus, if a game has a goal differential of 5 or more goals, coaches should consider making adjustments:
 - **U6 - U8:** Coaches should avoid where possible lop-sided games.
 - **U9 - U12:** Consider adding/removing/trading players.
 - **U13 - HS:** Consider reducing number of players on one team.
 When adding/removing players, min/max no. of players must be adhered to – see *Law 3 – The Players*.
- There will be no periods of extra time or kicks from the mark during regular season play.
- Use of extra time or kicks from the mark for tournaments/scrimmage play will be based upon rules defined for such events.

Law 11 – Offside

Rules for offside will vary based upon age group as follows;

- **U6 - U8:** No Offside.
- **U9 - U10:** Offside may only be called should the offence occur beyond the build out line. See additional rules below.
- **U11 - HS:** Use IFAB rules.

Law 12 – Fouls and Misconduct

Rules for fouls and misconduct for players will be per IFAB rules, with the following modifications:

- **U8 - U12:** Slide tackling is NOT permitted.
- **U13 - HS:** Slide tackling should be discouraged.

Additional rules for fouls and misconduct:

A. **Goalkeeper punting/drop-kicks.**

Punting: when the goalkeeper has the ball in hand and drop-kicks the ball.

Note: a 'placed' goal kick is not classified as a punt.

U9 - U12: To encourage team play, punting is not permitted.

- Should the ball be punted, the referee will award an indirect free kick, using IFAB Indirect Free Kick rules at the point of the offense.
- B. **Abusive behavior.** Abusive behavior from or between **any** participants, including referees, coaches, players or spectators **will not be tolerated.** Such behavior may result in the offender being asked to leave the field. Refer to **FFC's Policy & Procedures Handbook** at www.fredericksburgfc.org for further information.

Law 13 – Free Kicks

Rules for free kicks will be per IFAB rules with the following modifications:

A. Free Kicks.

- **U6 - U8:** All free kicks will be indirect. Opponents should be at least TEN FEET away from the ball on all restarts.
- **U9 - U10:** Opponents should be at least EIGHT YARDS from the ball on all restarts.

B. Heading.

- **U8 - U12:** Heading is **not permitted** per US Soccer guidelines. If the ball hits the head (i.e. anything above the shoulders) of a player, the game is stopped and will be restarted as follows:
 - i. **Deliberate heading of ball.** Indirect Free Kick to the other team at the point of infraction, per IFAB Indirect Free Kick rules.
 - ii. **Accidental heading of the ball.** Drop ball at the point of infraction, per IFAB drop ball rules.

C. Punting.

Punting: when the goalkeeper has the ball in hand and drop-kicks the ball.

- a. **U8 - U12:** Punting is not permitted per US Soccer guidelines regarding heading of the ball at this age. If the ball is punted, an Indirect Free Kick will be awarded to the other team at the point of infraction, per IFAB Indirect Free Kick rules.

For younger age groups, please consider the spirit of the game and use appropriate discretion.

Law 14 – The Penalty Kick

Rules for penalty kicks will be per IFAB rules with the following modifications:

- **U6 - U8:** No penalty kicks.

Law 15 – The Throw-in

Rules for throw-ins will be per IFAB rules.

Law 16 – The Goal Kick

Rules for goal kicks will be per IFAB rules with the following modifications:

- **U8 - U9:** Goal kicks can be taken anywhere near the vicinity of the goal.
- **U10 - U12:** Due to ***build out line*** implementation, the expectation is for the goal kick taker (typically the goalkeeper) to play out/pass out from the back, rather than long-kick the ball into play.

- Players from other team should retreat behind the buildout line for the goal kick and only approach once the ball is in play (i.e. the ball has been clearly kicked and moved. Note that the ball no longer has to leave the penalty area to be in play.)

Note: No infringement will be called if a goalkeeper chooses to play the ball early.

- The expectation is that the ball will be played and received inside of the build-out line, promoting playing out from the back.
- High/long kicks should be discouraged, due to the no-heading rule at this age level.

Note: A goal kick is not a punt. A punt is when the goalkeeper has the ball in hand and 'drop-kicks' the ball.

Referees should use discretion with goal kicks at this age: Consider a warning/retake the first time. Should the referee deem it necessary, persistent infringement of this guidance can be accommodated with an indirect free kick, using IFAB Indirect Free Kick rules from the point of the goal kick.

- **U13 - HS:** Per IFAB.

Law 17 – The Corner Kick

Rules for corner kicks will be per IFAB rules, with the following modifications:

- **U8:** Corner kicks can be taken anywhere near the vicinity of the corner.

Miscellaneous

- A. Alcohol or tobacco use is prohibited at **Fredericksburg FC** activities.
- B. No pets are permitted at **FFC Park**, except for service animals.
- C. Loud noise makers (such as megaphones) are prohibited.
- D. Drones are prohibited at **FFC Park**, unless prior consent has been granted.
- E. Coaching during game should be conducted by team coaches only.
Parents are not permitted to coach from the side lines and instead should consider encouraging remarks to ALL players, irrespective of which team they play for.
- F. Team benches will both be on the same side of the field.
For side-by-side fields, team benches will be between fields, unless directed otherwise by **FFC**.
- G. Spectators will take the other side of the field between the 18 yard lines, unless directed otherwise by **FFC**.
No spectators permitted by corner flags or behind the goal/end lines.
For side-by-side fields, spectators will be located at the outside perimeter.
- H. Players are **NOT PERMITTED to practice or warm up in the penalty areas** of any marked field at FFC Park.
Limited goalkeeper warm up prior to the start of a game is acceptable.

Build Out Line

Per **US Soccer Player Development Initiatives**, U10 and U12 games will utilize a **build out line** that is halfway between the half-way line and the penalty area.

- If **build out lines** are not marked, coaches should place cones/pinnies on either touch line to identify the location of the build out lines in each half of the field. Ensure that such items are at least one yard from the field of play.
- The **build out line** will be used as a **retreat line** for the opposing team during goal kicks and free kicks taken from within the penalty area.
- If the kicking team chooses to take the goal kick or free kick early, this is at their discretion and no infringement will be called on the opposing team.
- Once the ball is in play (i.e. the ball has been clearly kicked and moved. Note that the ball no longer has to leave the penalty area to be in play.), the opposing team may challenge the ball.
NOTE: With FFC Recreation Soccer's emphasis on education and playing out from the back, teams should refrain from coaching their offence to rush to the ball immediately as it re-enters play, giving the opponent the ability to receive the ball first.
- For **U9** and **U10** (7v7), offside calls will only be made between the **build out line** and the **end line**.
